OPENING DAY!

Let the countdown begin!

The Board of Directors is pleased to announce that the new pool is in, it is filled with water and looks picture perfect. The grounds are being groomed and now it is time for our usual seasonal opening procedures. So, over the next few weeks we will be feverishly working to prepare the club for our "Grand Re-Opening"! We will be there every night and weekend ensuring that the club grounds are ready for your enjoyment.

We have a fun filled Entertainment season lined up for every one of all ages. For your pleasure we are expanding the picnic grounds, installing some new grills, repairing and replacing picnic tables, and expanding the beach area. The lake is full of fish and a few new boats. We have revamped the baby pool area, and we now have WIFI for your pleasure or just to check in at work.

We look forward to seeing everyone opening weekend.
