

## OCTOBER 2012 NEWSLETTER

### TIME TO SNUGGLE IN

Aahh the crisp clean air is here, but before everyone gets ready to snuggle in for the winter season, the GPBLCC Board of Directors would like to thank everyone that came out to vote in September. The continued success of our club comes from the dedication of our members. We ended September with more than our fair share of rain but as we all know it's always sunny at Bells Lake, a little rain has never stopped us before. A few quick updates and reminders as you settle in for a long winters nap

- The Board of Directors would like to thank Andy Knox and Mike D'Andrea for their years of dedication and service to the club! Thank you once again, we can look forward to seeing Mike as he continues on to be our Tri-County Swim Rep and Andy with his dedication to the swim team and his involvement throughout the club.
- The five people that were elected to the Board to serve a three year term were – Drew Freeman, Greg Fondacaro, Roseann Jannetti-Mankus, Robert Karcher and Conchetta Keebler.
- The elected Executive Board to serve for the 2012-2013 Season is  
President – Chad Jullian, Vice President – Tom DeAngelis, Treasurer – Robert Karcher, and Secretary – Roseann Jannetti-Mankus.
- The Board of Directors works year round for the continued success of our club. Our monthly meetings are held the second Tuesday of the month at WT Municipal Building at 7pm. The first 15 minutes of every meeting are dedicated to anyone who wishes to inform the Board of any issues, concerns or suggestions. Please e-mail the secretary if you wish to attend a meeting and she will place you on the agenda.

#### Lakeside Corner:

Hey Boaters!  You all know this is the best time of the year to be out on the lake! The vibrant fall foliage provides the perfect backdrop-whether you are out there fishing or kayaking. As usual we will be lowering the lake on or about November 3<sup>rd</sup> for vegetation control. The water level will be restored on or about March 1. You are welcome to continue using the lake during this time as long as it is safe for you to get your boat out there. When you are finished using your boat for the season, please flip it over and make sure it is secured. **FYI**-we will be having a major clean-up of the boat ramp area early Spring 2013. Details will follow as we get closer. Please note that any boats without a valid sticker will be removed from the property. Enjoy the weather while it lasts and don't forget to send me your photos for the website. Questions or concerns? Contact Patti at [pamazella@hotmail.com](mailto:pamazella@hotmail.com).
