Swim Team news: The Board of Directors would like to wish Coach Tony Lisa a fond farewell as he will not be returning to the club this year as coach. We would like to thank him for his many years of dedication to our Club and the Swim Team. Thru the years Tony has been instrumental in nurturing and building our team and for that we thank him from the bottom of our hearts. Tony will be greatly missed by all.

We are pleased to announce that Shannon McKinnon, will be taking over as head Coach, with Patrick Malone and Colin Canfield as her assistants. Another amazing team of people that we are happy to have with us. Shannon started her swimming career at the early age of 5 as a tadpole under the supervision of Coach Tony Lisa. Shannon and her family have been long time

members of the club. We wish the team all the best and look forward to another winning season!
GO FROGS!

Lake and Dam news: A production company filmed a movie at our club this past winter. The company, based in California, was amazed by our beautiful lake and we were proud to provide the perfect setting for the movie. The title of the film in the making is “Patrick, the Movie”. It was really fun to watch the filming. Photos taken during the filming are posted on our Facebook page. The donation we received from the production company was applied to the purchase of 20 new picnic tables.

In early spring we renovated the boat ramp area and hope all of our boating members are pleased with the result. Thanks to everyone that participated in this project!

We also completed a major improvement to our beach and adjacent picnic area that we’re sure everyone will enjoy.

We’re looking forward to seeing everyone this weekend. Be sure to check the website www.bellslake.com for updates and entertainment information, as well as the news boards at the club. Follow us on Facebook too, Greenwood Park Bells Lake Community Club, and ask to join!

Please forward our newsletter to your family and friends; you never know who wants to become a part of “Washington Township’s Best Kept Secret”. Refer a new member and receive five free guest passes - but they need to tell us that you referred them!

Looking forward to another great season and seeing everyone soon!
