## LAKE AND DAM

### *Boating Update*

Another summer of boating and fishing has come and gone. As usual, the lake will be lowered for winter vegetation control. But don't let that stop you. As long as you can get your boat out, you are more than welcome to continue using the lake.

If you have any photos or Bells Lake fish stories, feel free to share them with us. Also, there are several members inquiring about boats for sale. If you are selling a boat, or know someone who is, please let us know and we will pass the information along. Send your email to [lakeanddam@bellslake.com](mailto:lakeanddam@bellslake.com)

Please remember to make sure your boat is securely locked and to take all of your gear home with you. Please remember to flip your boat and to discard any trash before you leave.

**PLEASE CHECK YOUR STICKERS.** If it is missing or unreadable, please contact us for a new one. This is the only way we can identify your boat and notify you if there is a problem. Please remember – boats without stickers will be removed.
