Things are already rolling for the summer of 2017!! Everyone has been hard at work in preparation for this summer. We are so excited about the upcoming changes that are taking place!! We have a new pavilion with a killer view taking the place of the volleyball area. Ground breaking for the pavilion will be happening this month!

A new gaming section has already started and will be located behind the baby pool area. This will be complete with washer pits, baggo, horseshoes and bocce ball! FUN!! The woman's bathroom has already begun a makeover as well! The boat ramp has been revamped for more boat space and lots of attention went to cleaning up the dam! Stay tuned for more exciting things coming soon!!
