JUNE 2019

I wonder what it would be like to live in a world where it was always June.

L. M. Montgomery

Hello GPBLCC Members! School is out, summer is finally here and we are open full-time through Labor Day. The doggie dip days are back, fishing tournaments have kicked off, swim meets have begun, movie nights are quickly approaching, and the Fourth of July is only one week away!!!

Here are a few pool/lake/club rule reminders in case anyone needed a refresher:

- 1) No glass of any sort is allowed through the gates of the club.
- 2) We do not allow drinking and eating by the poolside or in the pool. We want to avoid any spills or food from getting into the water.
- 3) Swim floaties/personal vests are only allowed in the shallow end of the pool with a parent(s) in the water.
- 4) *New Rule: Kids that are under 12 and have not passed their swim band test will need to wear a vest (provided by us) when in the shallow part of the lake. We are starting to implement this rule because the lake is deeper this year and it's always safety first at Bells Lake.

This summer started off with a blast and it is only going to get more fun, enjoyable and relaxing from here on out, so we look forward to seeing you all at Bells Lake throughout the summer!

Got any suggestions or questions? Please feel free to reach me at manager@bellslake.com.

P** Please ask at the front office for your envelope if you haven't already gotten it. We have over 100 still left. Also please fill out your emergency cards and get them back to the front desk. If your child is old enough to come to the pool they must have a key tag to get in. Have them take a picture of it with their phone so they always have it with them. When they come to the pool they can just scan the picture. Even the adults are doing this that way you won't lose them and most people come with their phones. If you lose your tag you will have to buy one for \$5 at the front gate.

ENTERTAINMENT

Some entertainment moved around due to a scheduling conflict, so we now have Eleven, Eleven performing on Saturday from 2:30-6:30pm.

Due to conflict, our dive-in movie night has been moved from Thursday, June 27th to Tuesday, July 2nd starting at 8:45 pm. Bring your beach chairs for the pool deck or a tube with a hole in the center for the shallow end and enjoy this free viewing of Incredibles II. You may bring your own snacks and drinks. Popcorn will be served.

In July, we have our annual 4th of July celebration, including a moon bounce, DJ, games, and complimentary hot dogs!
