

Dear GPBLCC Members,

Two more weeks until the pool opens on Saturday, May 29th! We have new umbrellas on the pool deck, new trash AND recycling containers, removed the mulch from the baby pool area, cleaned out the boating area, and installed a new basketball backboard generously donated by the Woodward Family. These are just a few examples of improvements we have made to the club and hope you enjoy them!

Please take a few minutes to read the following important reminders and updates:

ANNUAL 4th OF JULY BASKET AUCTION

Do you or someone you know own a business? Any business that donates a basket for our annual 4th of July auction will be displayed by name on our website for one year! Please email fundraising@bellslake.com for more information. All baskets must be received by Tuesday, June 15th.

COVID-19

We are monitoring the guidelines from the State of NJ and from the CDC as they change daily. Procedures are being modified accordingly to ensure the safety of our staff, guests, and members. As of this moment to keep everyone safe, we are still requiring the following for the 2021 season including, but not limited to:

- Requiring the use of hand sanitizer upon entry and exiting. For your convenience, we have installed new hand sanitizer stations throughout the club for your use.
- Taking the temperature of every person who enters our gates. This includes all staff members of GPBLCC before starting their shift, members, guests, vendors, and all entertainment. Any pool member or guest who are clearly demonstrating signs of Covid-19 will be asked to leave immediately and seek medical attention.
- Footwear is required in bathrooms along with a limited amount of people in the restroom at the same time.
- All members and GUESTS need to fill out a 2021 COVID Waiver. This only needs to be done once for the summer for each family. Save time and print out a copy: [GPBLCC Covid Waiver](#)

OPEN HOUSE - SUNDAY, MAY 30th

We are hosting our annual open house from noon - 8:45 pm on Sunday, May 30th. Have your friends and family join you to learn about GPBLCC and all that we have to offer!

GOING GREEN!!!

In an effort to go green, new recycling bins will be spread out across the grounds. In addition to new recycling bins, new black trash cans will also be spread out. Please use the proper receptacle when disposing of your recycling and trash. All bins are clearly labeled. Some helpful tips:

- Recycling bin = empty aluminum cans, plastic bottles, clean cardboard and paper.
- Trash can = plastic bags, food, Styrofoam, and items contaminated with food (including pizza boxes).
- To learn more, please see attached for further details on recycling.

Thank you to the following families for their generous donations to our recycling initiative:

- The McGurck Family
- The O'Shea Family
- The Sprang Family
- The Alexander & DeVecchis Families
- The Gurcik & Santone Families
- The Kolodzey, Duxbury, & Mullin Families
- The DeMore Family
- The Severa Family

GP ROCKS!!!

We are starting a rock garden at GPBLCC! Design a rock with a message or picture of inspiration. Bring your painted rock opening weekend (May 29th - May 31st) and add it to our garden. On those days, at 1:00 pm, we will take a picture of our artists* and their rocks!

“Take one for inspiration, share one for motivation, or leave one to help our garden grow!”

*Anyone who wishes to have their picture posted on our Facebook page must have a parent present in order to do so.
